Greetings Alliance Leaders,

As the coronavirus (COVID-19) situation in our country, and around the world, continues to escalate, we deeply value the efforts and best practices being put in place to protect everyone's well-being and safety. We are grateful for the reliable organizations that help us discern what is happening, and then quickly signal when there is an immediate need for more radical precautions.

As such we are making a change in plans. Based on the quickly evolving events and current guidance, **Christian Leadership Alliance *will not* be hosting The Outcomes Conference 2020 in Dallas, TX, as scheduled for April 7-9.**

We longed to bring you together. Now we are exploring the alternative ways to deliver an interactive digital version of The Outcomes Conference 2020. We give thanks that we live in a time when there are solutions that will enable us to

fulfill our heartfelt commitment to equip, inspire and encourage Christian leaders like you.

We will keep you posted and share specifics as soon as we have them. Like you, we are prayerfully navigating how to stay on mission and provide what is needed during this difficult time. Thanks for your patience as we earnestly collaborate with our featured presenters and members of our faculty of subject matter experts to make this possible.

Please know we're praying for all of you. This is a time in which our world, our nation, and our communities need the hope, peace and encouragement found only in Christ. I am reminded of Queen Esther who was told:

“And who knows whether you have not come to the kingdom for such a time as this?”

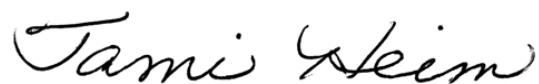

~ Esther 4:14b

We believe you were called into Christian leadership for times like these!

The Christian Leadership Alliance community remains more committed than ever to equip those called to transform our world for Christ. We long to see every Christian leader, thriving.

We'll be following up with more news, soon.

Blessings,
