

Event & COVID-19 Update

1.19.21

The Outcomes Conference Is Changing Dates and Location

The Outcomes Conference was scheduled to be in Jacksonville, Florida, April 27 - 29. However, we have diligently sought God's guidance on the timing of the event relative to our first priority: the safety and transformational onsite experience of our attendees. With the wonderful support of the Hyatt organization we are able to announce the new dates and location:

The Outcomes Conference 2021
June 15 – 17, 2021
[Hyatt Regency Grand Cypress Hotel](#)
Orlando, Florida

These later dates and wider distribution of the COVID-19 vaccine will be highly beneficial for our attendees, and of course we will continue to closely follow the state and local safety guidelines recommended when we convene in June.

We know and celebrate what technology makes possible. We saw thousands of leaders benefit from it during 2020. We firmly believe a virtual experience has a worthy place in the future of equipping leaders across this country and around the world. But nothing replaces what happens when Christ-followers gather in person to invest in each other and collaborate in community.

This year's conference theme is THRIVE. The theme came to us before COVID-19 and how appropriate that God would move us from the theme of TRANSFORM to this one.

We are excited about the thought leaders, experts, and ministry practitioners who will be our wise guides for this event. The faculty for 2021 is stellar and we know they will have an important word for all of us as we sink into understanding what it means to THRIVE as a Christian in today's world. We will update the website should there be any faculty changes between now and the event in June.

NOTE: If you have already committed and made plans to participate in the April event, you will receive a special email regarding the process to confirm your participation in June.

Just like the Alliance, safety is the outcome of collaborative community effort.

Here is what many are doing to keep your safety their top priority.

TSA: Look for updated information on airport terminal safety standards directed by the [Transportation Security Administration](#).

Airlines: Airlines are continuing to protect travelers through proven safety steps, including increased ventilation. Take time to see what all the airlines flying in to Jacksonville are doing! These pages are updated as changes occur.

[Delta](#) [American](#) [Southwest](#) [United](#) [jetBlue](#) [Frontier](#)

Uber: Here is [information on Uber](#)– A popular alternative

Hyatt Hotel: Here is the Hyatt's [Global Care and Cleanliness Commitment](#).

If there are other service providers you prefer to use, you can easily do a Google search to find their COVID-19 policies.

And finally, the updated Outcomes Conference Cancellation policy for 2021, based on these new is featured on the landing page of the conference website.

We are looking forward to our time together in 2021. This will be the 45th Outcomes Conference and we give thanks for all God has done to make this possible for our community of leaders!

We are committed to serving you well,

The Christian Leadership Alliance Staff
